### Personal data

Name	<b>HAJDËRI Edmond</b>
Profession	Biologist
Date of Birth	21/03/1961
Place of Birth	Tirana (Albania)
Nationality	Albanian
Mailing Address	Rruga Luigj Gurakuqi, Pall. 15/1, Shk.8, Ap.59, Tirana, Albania
Contacts	Office: Phone +3554273290 Fax +3554273291 e-mail: e.hajderi@unizkm.edu.al Private Mob. +355 68 2228856 e-mail: edmond_hajderi@yahoo.it

### Education and Training:

1980-1985	Bachelor in <i>Biology</i> , at the Faculty of Natural Sciences, University of Tirana (Albania).
1988-1991	Specialization in <i>Zooplankton Ecology</i> and Doctoral thesis at the Laboratory of Marine Biology of Bari (Italy),
1992-1996	<i>Marine Sciences Doctoral studies</i> at the University of Bari.
3-14/06/2002	" <i>Strategic Choices for Tertiary Education Reform</i> ", training course organized by the World Bank, Paris
9-13/12/2002	<i>European Integration</i> , training course organized by the Spanish Ministry of Foreign Affairs, University San Pablo-CEU, Madrid.

### Qualifications:

1992	" <i>Doctor of Sciences</i> " degree - Scientific Qualification Commission (Tirana)
1996	" <i>Doctor of Research</i> " in Marine Science degree - Ministry of University and Scientific Research and Technology (Rome)
1999	" <i>Associated Professor</i> " degree -Scientific Qualification Commission (Tirana)
2005	" <i>Professor</i> " degree - Scientific Qualification Commission (Tirana)

### Work experience:

1985-1988	Assistant Professor at the Institute of Zoology, Faculty of Natural Sciences, University of Tirana (Albania).
1988-1997	Associated scientist in Zooplankton Ecology at the Laboratory of Marine Biology of Bari (Italy).
1991,1996,1997	Scientific collaborator of the Biological Oceanography Laboratory of the "A. Dohrn" Zoological Station of Naples on zooplankton ecology.
1997-1998	Specialist for the Scientific Research Policy - Directorate of Development Policies, Ministry of Higher Education and Scientific Research, (Albania).
1998-2002	Director of the Higher Education Directorate - Ministry of Education and Science, Tirana (Albania).

2002- 2004	Director of the Scientific Research Directorate - Ministry of Education and Science, Tirana (Albania).
From 2004	Secretary General of the University “Our Lady of Good Council” , Tirana

### Academic activity

1985-1988	Lectures and laboratory exercises in <i>General Biology</i> - Institute of Zoology, Faculty of Natural Sciences, University of Tirana (Albania).
1989-1993	Laboratory exercises in <i>Marine Biology</i> - Institute of Zoology, Faculty of Natural Sciences, University of Bari (Italy).
1993, 1994	Laboratory and practical training in <i>Biological Oceanography</i> - MEDCAMPUS Project of the Community of the Mediterranean Universities (Joint Academic Project of the University of Bari and the University of Beirut - Lebanon)
1989 - 1992	Co-supervisor of 4 bachelor theses at the University of Bari: <i>"Zooplankton composition and distribution in the South Adriatic Sea"</i> <i>"Zooplankton biomass distribution in the South Adriatic Sea"</i> <i>"Cladocera distribution and fluctuation in the South Adriatic Sea"</i> <i>"Zooplankton - ichthyoplankton distribution and relationships"</i>
1999	Supervisor of the doctoral thesis “ <i>Study of the Zooplankton feeding in natural conditions at the Ohri Lake</i> ”, Fac. of Natural Sciences, University of Tirana
1998	Lectures of <i>General Biology</i> - Fac. of Social Sciences, University of Tirana
from 1998	Lectures of <i>Hydrobiology</i> - Fac. of Natural Sciences, University of Tirana
from 2004	Lectures of <i>General Biology</i> – Fac. of Medicine, University “Our Lady of Good Council”, Tirana.
from 2005	Lectures of <i>Marine Ecology</i> – Fac. of Navigation, University of Vlora

### Participation in research projects

1990-1996	<i>"The assessment of the little pelagic fishes resources in the South Adriatic Sea"</i> National Italian Research Project of the Italian Government for the Italian seas, Partner institution: Marine Biology Laboratory of Bari (Italy).
1991	<i>"POEM"</i> International Research Project of the Intergovernmental Oceanographic Commission of UNESCO for the East Mediterranean, Partner institutions: “A. Dohrn” Zoological Station of Naples (Laboratory of Biological Oceanography), National Oceanography and Limnology Research Institute of Haifa (Israel) etc.
1996, 1997	<i>"PRISMA"</i> National Italian Research Project for the Adriatic Sea of the Italian National Center for the Scientific Research (CNR), Partner institution: “A. Dohrn” Zoological Station of Naples (Laboratory of Biological Oceanography, Laboratory of Plankton Ecophysiology).

2000	<p>“<i>Estimation of the Mediterranean Anchovy (Engraulis engrasicolus) biomass by the daily egg production method in the Thracian Sea (Greece) and in the South Western Adriatic Sea (Italy)</i>”.</p> <p>International project of the Directorate General for Fisheries XIV, Commission of the European Community</p> <p>Partner institutions: Servizio Ittico-Ambientale, Provincia di Bari, Bari (Italy) and National Center for Marine Research (Greece)</p>
1998-2001	<p>“<i>Istituzione di una rete di monitoraggio nel Basso Adriatico</i>”</p> <p>Bilateral Research Project of the Interreg II Apulian–Albania Programme,</p> <p>Partner institutions: CONISMA (Consorzio Interuniversitario delle Scienze del Mare) and albanian research institutions.</p>
